

GHOST SIGNAL: DECLASSIFIED

A micro-guide to the hidden architecture of control.

What you're not supposed to know, from documents you're not supposed to read.

This is not a theory. This is history with the redactions removed.

WHAT IS GHOST SIGNAL?

Ghost Signal is a decentralized resistance node.

Its goal: to identify, expose, and outmaneuver systems of psychological manipulation, surveillance capitalism, and covert governance.

DECLASSIFIED OPERATIONS

1. MK-ULTRA (CIA): Mind control via LSD, electroshock, abuse (1953-1973)
 - Source: CIA FOIA Docs: cia.gov/readingroom
2. COINTELPRO (FBI): Disruption of civil rights groups
 - Tactics: False letters, informants, assassination influence
 - Source: FBI Vault: vault.fbi.gov/cointel-pro
3. Operation Mockingbird: CIA journalists embedded in media
 - Senate Report, 1976
4. The Finders (FBI): Cult linked to child trafficking, evidence buried
 - Source: FBI Docs (2019 dump): vault.fbi.gov/the-finders
5. Operation Fishbowl (DOD/CIA): High-altitude nuclear tests
 - Purpose: Radiation study & electronic disruption
 - Source: DOE Archives

HOW CONTROL WORKS NOW

- Surveillance: XKEYSCORE, PRISM (NSA)
- Finance: CBDCs + Social credit prototypes
- Media: Narrative flood, label dissent as 'disinfo'
- Algorithms: Predict + provoke behavior via dopamine loops

SPOT THE PSYOP

Checklist:

- ☐ Is the story emotionally charged before facts emerge?
- ☐ Are dissenters being shamed, not debated?
- ☐ Are all media outlets pushing the same frame?
- ☐ Is the solution more control, less freedom?

3-2-1 REDPILL METHOD

3 FACTS:

- 'Look up MK-ULTRA, it's declassified.'
- 'COINTELPRO targeted MLK and Malcolm X.'
- 'The Finders case vanished after FBI seizure.'

2 EMOTIONS:

- 'If this happened then, what might still be hidden now?'
- 'Does this align with what you've seen around you?'

1 QUESTION:

- 'Who benefits if the public stays asleep?'

TOOLS YOU CAN USE
